

Ing. Roland Bittenauer

01.06.2023

Member of the Executive Board of Bosch Rexroth AG

Roland Bittenauer has been a member of the Executive Board of Bosch Rexroth AG since June 2023 with responsibility for Sales and Marketing.

After graduating in automotive and mechanical engineering from HTL Styr, he began his career as a sales engineer for mobile hydraulics at Hainzl Industriesysteme GmbH, followed by positions as sales group manager and division manager. From 2004 to 2008, he served as division manager and authorized officer for industrial hydraulics.

In 2009, he moved to Parker Hannifin, where he assumed the position of General Manager of the Austria & Southeastern Europe sales company for drive technologies. From 2017 to 2020, he was responsible for Germany, Austria and Switzerland as Sales General Manager in the area of drive technologies.

In 2020, he joined Bosch Rexroth AG, where he was responsible for managing the sales company for Germany, Austria and Switzerland.
